

Sewer Lateral Plan

To find your sewer lateral for your property, please follow the following steps:

1. Check the [Sewer Lateral Index Map](#) (pdf) to locate your property.
2. Find the page number for the sewer lateral plan. This is designated by a capital letter followed by numbers (e.g. E9, or E10, or N129). Take down the page number that is marked close to your property.
3. Follow the link below for the sewer lateral plan and use the page number to locate the lateral plan with your property in there.

How to find your sewer lateral plan page number:

In this example, the page number for the sewer lateral plan on Wedgewood Street is N129, which is located on the left and right side of the street. Notice the page number for the nearby cross street becomes E9 and E10, which means that the sewer lateral plans are on different pages for that street.
